Permethrin Label Signal Word - WARNING EPA Reg. #432-1132 	<ul style="list-style-type: none"> • Zoecon (Wellmark) Altosid Liquid Larvicide Methoprene Label Signal Word - CAUTION EPA Reg. #2724-392

Refer to accompanying map to determine if you are in a proposed treatment zone.

Persons have a right to request not to have their dwelling, multiple dwelling structure, building or structure other than a dwelling, and their property be subject to the pesticide application. Contact the Highway Department for more information.

If you have questions concerning the symptoms of pesticide poisoning, call the National Pesticide Service Center HOT LINE at 1-800-858-7378 or The Children's Hospital Poison Control Center in Buffalo New York at (716) 878-7654.

If you have questions regarding pesticide regulations - contact the Buffalo Office of the New York State Department of Environmental Conservation at (716) 851-7220.

Labels and safety data sheets are available at the AMHERST HIGHWAY DEPARTMENT.
