*Our hearing test is always free and is not a medical exam. It's used only to determine your amplification needs. Hearing aids do not restore natural hearing. Your experience will depend on the severity of your hearing loss, accuracy of evaluation, proper fit and ability to adapt to amplification.

**Special price is per hearing aid and applies only to product UN500FSO. Valid at participating Amplifon locations. May not be combined with other offers and does not apply to prior sales. Offer expires 3/28/07.
