8th Annual

NOW 12 HOUR EVENT

Amherst Dusk to Dawn

Get a team together...

For the Eighth Annual Amherst Dusk to Dawn Relay Challenge.

Are you looking for some fun and adventure? Then join us for the challenge! Designed for participants ages 12 and up, the Relay Challenge features 12 hours of non-stop food and fun! Teams of 10 youths, adults or a combination of the two come together for the challenge of a lifetime. Each participant runs or walks a mile and then passes the baton to another teammate. The process repeats itself all day and all night until everyone has successfully completed the challenge, drug, alcohol and sleep free! A huge tent-city, plenty of food, music, entertainment, games, a health fair and organized fun occur throughout the event. The best part is getting to meet and reach your highest potential with folks from all over the Amherst community – young, old, tall and small – working together!

For more information, call **631-7215**
